RESIGNED OR RE-SIGNED**Jeremiah 20:9****Mr. Gegen (Lecturer- Evangelical College of Theology)**

In this outstanding verse the prophet Jeremiah announces the impossible. He resigns and declares immediately that he cannot resign but he cannot quit. Any true preacher can understand Jeremiah crisis.

Almost every man of God had a spell that they are ready to resign and knows all the time that they couldn't. A man cannot really preach or do something without God the Holy Spirit help them in their ministry and preaching until he must preach. Paul said, "woe to me if I don't preach the gospel!" (1Cor. 9:16). Necessity was laid upon him, he had to do it.

Becoming a minister of God or a success in whatever we do I think it's not matter of looking over our professor etc. God is not running a cafeteria where you choose your favourite piece of pie.

Jeremiah had a holy born -fire. He didn't merely have to say something he had something to say. There is a lot of different between pouring out one's heart and getting something off one's chest. Many preachers' has spent an hour and hour in pulpit airing his pet grievances under the impression that he was speaking of God.

Such men are ready to resign when things don't go in their will. A preacher who runs a heavenly fever likes Jeremiah's cannot resign even though nothing goes in his way.

HEART TOUCHING STORY OF A MISSIONARY FAMILY IN ORISSA

Praise, glory and honor be to the Lord forever and ever! For He chastened whom he love most, give mountain to claim whom he want to make strong, He humble in the face of unjust and creultiness of this world. He drew himself to be silent yet He is close with him like never before. He answered prayer in the way the pleases Him most. Bless be the name of the Lord.

Yes, God did answer the prayers of his saints around the world just a little different than we had expected or for the greater cost. On the night Nathan passed away I held him on my arms and asked the Lord what is His plan in the life of my son. His grandparents and we already dedicated him for the Lord Service even before he was conceived in her mother womb. That night, the Lord answers me; "I count Nathan as a missionary just like you, and he will be crown..." When I heard this voice within my heart I was greatly comforted by Him and our questions and burden were lift lighted.

Then, I continue to pray for God's glory to be shown in bury service. Indeed, the Lord answers our prayer in a marvelous way. When we reach our mission centre, of all our villager both young and old came together and cries in our home. There I stand and pleaded them to allow me bury Nathan death body according to our Christian belief and practice. And they responded saying; "yes sir, please do tell where you want him to bury the child, and do tell us how to dig the ground and make the cross." So I told them to allow me bury within my garden under Jackfruit tree. And by 11:30am we held the funeral service, sing a song and read the Scripture for his funeral. Lastly, we bury him with the hope in the resurrected Jesus.

Then, according to the custom and traditions of the people, all of us went to the river washed ourselves and the cloths we wears. Then, I enter our house where I uses to pray, there the Lord spoke to me once again saying; "Lamboi you had surrender the life of Nathan for my Kingdom invasion and I did used him in the way I did like to used him. Its not your way that is important but its my way, that is important to Me. Then, why have you to be disappoints? At that moment, I hastily kneel down and thank God and gave him praise.

After all this, the tradition of the land that "we the bereaved family is not allow to cook anything for three days." But all of these three days, our villager provided us food, water, tea and biscuits and we are surprised to see how the Love of God is working in him. So, after we received all this kindness and hospitality from our villager, I am compel within my heart to give them a feast (9th of May 2018.)
